

INDEX TO VOLUME XXXV.

- A** BDOMEN, Gunshot wounds of the, 111; Contusion of, with rupture of the mesosigmoid, 123; Penetrating wounds of the, submitted to abdominal section at Charity Hospital, New Orleans, 15; Penetrating gunshot wound of, 638; Stab wound of, with perforation of colon, 400.
- Abdominal contusions associated with rupture of the intestine, 331; wall, Suture of the, 297.
- Abscesses, Retroperitoneal, 107.
- ALDRICH, CHARLES J., Traumatic rupture of the mesenteric arteries, 342; Curative effect of trephining *per se*, 618.
- ALEXANDER, SAMUEL, Rupture of pelvic abscess into bladder, 106.
- ALLIS, OSCAR H., Intestinal anastomosis, 279, 352.
- American Surgical Association, Transactions, Vol. xix, 1901, Review of, 852.
- Anatomy, Gray, Fifteenth Edition, Review of, 551; in its Relation to Art, Review of McClellan's Work on, 434.
- ANDREWS, E. WYLLYS, Late results of separation of lower femoral epiphysis, 663; Bottini's operation for prostatic hypertrophy, 836.
- Ankles, weak, of children, Misapplied support to, 284, 358.
- Anthrax, Intestinal and facial, 524.
- Anus, Imperforate, 661.
- Aorta, abdominal, Ligation of, for aneurism, 207; Aneurism of, treated by introduction of wire into sac and electrolysis, Supplementary report in a case of, 128.
- Appendectomy combined with nephropexy, 137.
- Appendicitis, Discussion on, at the German Surgical Congress of 1901, 686; Perihepatic and pleural complications of, 690; Simulated by suppurating sarcomatous kidney, 429; by strangulated ovarian cyst, 430; Other affections mistaken for, 657; Studies in the pathogenesis of, 701; Abscesses in right iliac region mistaken for, 758; Predisposing and exciting causes of sudden attacks of, 842.
- Astragalus, Removal of, for club-foot, 645.
- Axillary vein, Rupture of, in reducing old dislocation of shoulder, 604.
- B**ECK, CARL (Chicago), Surgery of the liver, 426, 428.
- BERNAYS, AUGUSTUS C., Sarcoma of the mesentery, 790, 835; Adenoma of stomach, 834.
- Bile passages, Exploration of, combined with nephropexy, 137; operations upon the, 708, 732.
- Bladder, Extraperitoneal rupture of, 288; Rupture into, of pelvic abscess, 106; Immediate suture of, after suprapubic cystotomy, 695; Urinary, Review of Fenwick on Tumors of the, 551.

- BLAKE, JOSEPH A., Carcinoma of the tongue, 270; Fracture of carpal scaphoid, 516; The surgical aspect of the status lymphaticus, 641, 745.
- Blood and urine, Freezing point of, 535, 692, 693.
- BOLTON, PERCIVAL R., Subcutaneous injury of the brachial plexus, 582; Compound dislocation of the elbow, 515.
- Bone, Tuberculosis of, 287; cysts, Use of X-ray in diagnosis of, 505.
- Bottini operation, Transvesical cauterization as a substitute for, 836.
- BOUFFLEUR, A. I., Separation of lower femoral epiphysis, 664; Transvesical cauterization as a substitute for the Bottini operation, 838.
- BOVAIRD, DAVID, JR., The status lymphaticus, 641.
- Brachial plexus, Subcutaneous injuries of the, 109, 582.
- BREWER, GEORGE E., Retroperitoneal abscesses, 107; Carcinoma of transverse colon, 108.
- Broad ligament, Hæmostasis of the, 802, 829.
- BROWN, F. TILDEN, Tuberculosis of the kidneys, 416, 419; Dislocation of the patella, 636; Movable cartilage in the knee-joint, 637; Ureteral transplantation and nephrectomy for tuberculosis, 638; Composite cystoscope, 642.
- Bryant's Operative Surgery, Review of, 130.
- Burnett, Ingals, Newcomb's Text-Book on Diseases of Ear, Nose, and Throat, Review of, 437.
- CÆCUM, Carcinoma of, 42, 216.
- CAMPBELL, O. BEVERLY, The etiology of gall-stones, 668.
- Carbolic acid, Pure, in the treatment of septic and suppurating wounds, 432.
- Carotid, common, Distal ligation of, for aneurism, 280; common, Preliminary ligation of, in resection of upper jaw, 684; arteries, Temporary closure of the, 441.
- Cartilage, Movable, in knee-joint, 637.
- Cerebral pressure, 679.
- Chemistry, Physiological, Simon, Review of, 136.
- Chicago Surgical Society, Transactions of the, 287, 426, 659, 829.
- Cholecystenterostomy, 105.
- Cholecystotomy, 647.
- Choledochotomy and cholecystectomy, 643.
- Clavicle, Treatment of acromial dislocation of, by open incision, 578, 652.
- Club-foot relieved by excision, Astragalus, scaphoid, and cuboid, 645.
- COLEY, WILLIAM B., Duodenal ulcer treated by gastro-enterostomy, 411; Sarcoma of parotid cured by injections of mixed toxins, 421; Sympathectomy for glaucoma, 816.
- Colon, transverse, Carcinoma of, 108.
- COPLIN, W. M. L., Chronic phagedæna due to mixed infection, 586.
- CORSON, EUGENE R., Bone cysts, with X-ray findings, 505.
- COTTON, FREDERIC J., Elbow fractures in children, 75, 242, 365.
- CRILE, GEORGE, Research on the temporary closure of the carotid arteries, 441; Experimental Research into the Surgery of the Respiratory System, Review of, 850; Experimental and Clinical Research into certain Problems relating to Surgical Operations, Review of, 851.
- CUMSTON, CHARLES GREENE, Carcinoma of the cæcum, 42, 216.

CURTIS, B. FARQUHAR, Removal of astragalus, scaphoid, and cuboid for club-foot, 645.

Cystoscope, Composite, 642.

DA COSTA, JOHN CHALMERS, Distal ligation of common carotid and right subclavian arteries for aneurism, 280.

DAVIS, GWILYM G., Weak ankles in children, 284; Ischiorectal abscess pointing in iliac fossa, 657; Radical cure of hæmorrhoids without general anæsthesia, 824.

DAVISON, CHARLES, Suture of the abdominal wall, 297.

DAWBARN, ROBERT H. M., Control of hæmorrhage in intracranial neurectomy, 405; Prostatectomy, 410; Graves's disease treated by ligation of all four thyroid arteries, 512; Inferior blepharoplasty, 514.

DEAVER, JOHN B., Intestinal suture, 823.

Dictionary, American Illustrated Medical, of Dorland, Review of, 296.

DOWD, CHARLES N., Congenital dislocation of the hip reduced by operation, 271; Acute diffused gonococcus peritonitis, 276; Lymphangioma of the face, 407; Nephrectomy for tuberculosis, 413; Nephrotomy for calculi, 419; Resection of lower end of ileum for tuberculosis, 806; for ileo-cæcal carcinoma, 808.

EAR, Nose, and Throat Diseases, Review of Burnett, Ingals, and Newcomb's Text-Book on, 437.

EDEBOHLS, GEORGE M., The techniques of nephropexy, 137.

EISENDRATH, DANIEL N., Extraperitoneal rupture of bladder,

288; Surgery of the liver, 427; Strangulated ovarian cyst simulating appendicitis, 430; Temperature as affected by gall-stones, 668.

Elbow, Compound dislocation of the, 515; Fractures in children, 75, 242, 365.

ELDER, JOHN M., Hour-glass stomach, 598.

Elephantiasis of scrotum and perineum, 815.

ELIOT, JR., ELLSWORTH, Tuberculosis of the kidney, 415; Detection of kidney stones by X-ray, 421.

Enterorrhaphy, Methods of, 610, 820.

Epiptopexy in cirrhosis of the liver with ascites, 303.

ERDMANN, JOHN F., Acute intussusception, 411.

Erysipelas and bacillus prodigiosus toxins in treatment of sarcoma, 421.

Exophthalmic goitre, 288.

Eyelid, lower, Plastic restoration of the, 514.

FEMUR, Separation of lower epiphysis of, 662.

FENGER, CHRISTIAN, Hæmorrhage of the broad ligament, 829; Adenocarcinoma of stomach, 834; Sarcoma of mesentery, 835.

FENNER, E. D., Cases of penetrating wounds of the abdomen submitted to abdominal section, 15.

Fenwick on Tumors of the Urinary Bladder, Review of, 551.

FERGUSON, ALEXANDER HUGH, Symptomatology of gall-stones, 667.

Forcippresure in gastric surgery, 543.

Fracture at elbow in children, 75, 242, 365; of fifth metatarsal bone by indirect violence, 697; of the pelvis and extraperitoneal rupture of the bladder, 288.

FRANK, JACOB, Mechanical *versus* suture methods for intestinal approximation, 36; Surgery of the liver, 427.

Freezing point of blood and urine, Methods of determining, 535; in renal surgery, 692, 693.

GAGE, HOMER, Abdominal contusions associated with rupture of the intestine, 331.

Gall-bladder, Clinical observations on the surgery of the, 708; Analysis of three hundred and twenty-eight operations upon the, 732; surgery, 643, 647, 664; and duct operations, Technique of, 27; and bile-ducts, Surgical treatment of some of the remote results of inflammation of the, 345.

Gall-stone Disease, Review of Kehr on, 855.

Gangrene, Spontaneous, 431.

Gastric surgery, Forcible pressure in, 543; ulcer and its sequelæ, Surgical treatment of, 529.

Gastro-enterostomy supplemented by entero-enterostomy by elastic ligature, 406; Anatomy and surgery of, 544.

Gastrostomy, 284.

GIBBON, JOHN H., Anthrax, 527.

GIBSON, CHARLES L., Interstitial pancreatitis, 105; Penetrating gunshot wound of thorax and abdomen, 638; Diagnosis of the status lymphaticus, 641; Cholecystotomy, 643; Cholecystotomy, 648; Stricture of urethra; rupture and extravasation of urine, 816.

Glaucoma, Removal of superior cervical sympathetic ganglion for, 816.

Goitre, Operations for, 813; exophthalmic, Death after operation for, 288; Exophthalmic, treated

by ligature of all four thyroid arteries, 412.

Gonococcus peritonitis, Acute diffused, 276.

Graves's disease treated by ligature of all four thyroid arteries, 512.

Gray's Anatomy, Review of, 551.

HÆMORRHOIDS, Radical cure of, without general anæsthesia, 824.

HALSTEAD, A. E., Intestinal obstruction from Meckel's diverticulum, 471.

HARSHA, WILLIAM N., Suppurating sarcomatous kidney simulating appendicitis, 429; Tubal pregnancy, 430.

HARTE, RICHARD H., Gunshot wound of the abdomen, 116, 122; Tetanus after vaccination, 520, 523; Suture for acromioclavicular dislocation, 655; Treatment of hæmorrhoids, 828.

Hatfield Prize for Original Research in Medicine, 440.

HAWKES, FORBES, Ureteral calculus, 519.

HAYNES, IRVING S., Bony ankylosis of temporomaxillary articulation, 517.

Hermaphroditism, 661.

Hernia, Gangrenous, 528; Resection of; Use of Murphy button, 401; median postoperative, Treatment of, 542; of Meckel's diverticulum, 503.

Hip, Congenital dislocation of the, reduced by operation, 271; Extirpation of, for tuberculosis of femur, 813.

HOLMES, BAYARD, Tuberculosis of bone, 287; Exophthalmic goitre, 288.

HOPKINS, W. B., Suture of the acromioclavicular articulation for dislocation, 652.

HUBBARD, JOSHUA C., Meckel's diverticulum patent at the navel, 495.

Humerus, Fractures at the lower end of the, 75, 242, 365.

Hydatid of liver, 425.

ILEOCÆCAL region, Carcinoma of, 808.

INGALLS, HENRY ALLISON, On splanchnoptosis and its surgical treatment, 319.

Internal iliac artery, Distribution of the branches of, and zones of exsanguination resulting from its deligation, 189.

Intestinal anastomosis, Instrument for facilitating, 279, 352; approximation, Mechanical *versus* suture methods for, 36; Suture, 610, 820.

Intestine, Obstruction of, by Meckel's diverticulum, 471; Rupture of the, associated with abdominal contusion, 331; wound of, 400; Resection of, for gangrenous hernia, 401; Tuberculosis of; Resection, 806.

Intracranial neurectomy for trifacial neuralgia, 404.

Intussusception, Acute, 411; of Meckel's diverticulum, 32.

JAW, upper, Resection of, 683; Preliminary ligation of common carotid in resection of, 684.

JOHNSON, ALEXANDER B., Stab wound of abdomen with perforation of colon, 400; Gangrenous hernia, 401; Nephrectomy for acute pyelonephritis, 402; Nephrectomy for calculous pyelonephrosis, 403; Prostatectomy, 408; Stereoscopic radiography, 455; Fracture of carpal scaphoid, 516; Tuberculosis of the cæcum, 811.

JONES, ROBERT, Fracture of the base of the fifth metatarsal bone by indirect violence, 697.

JOPSON, JOHN H., Anthrax in Philadelphia, 527; Iliac abscesses simulating appendicitis, 658.

KAMMERER, FREDERICK, Ligation of thyroid arteries for Graves's disease, 513; Myxosarcoma of the sciatic nerve, 649.

Kehr on Gall-Stone Disease, Translated by W. W. Seymour, Review of, 855.

Kidney, Extirpation of, 402, 403, 413, 638; stone in, Nephrotomy for, 419; Suppurating sarcomatous, simulating appendicitis, 429; Suture of floating, 137.

KILIANI, OTTO G. T., Exarticulation of hip for tuberculosis of femur, 813; Operations for goitre, 813; Elephantiasis of perineum and scrotum, 815.

Knee-joint, Movable cartilage in, 637.

KNOTT, VAN BUREN, Contribution to the surgery of spina bifida, 624.

KRAMER, SIMON PENDLETON, Studies in the pathogenesis of appendicitis, 701.

LE BOUTILLIER, WILLIAM G., Thoracic injuries involving the lungs, 553.

LE CONTE, ROBERT G., Gunshot wounds of the abdomen, 111; Gangrenous hernia, 528.

LILIENTHAL, HOWARD, Cholecystectomy, 644; Removal of astragalus for club-foot, 646; Cholecystotomy, 647.

Liver, cirrhosis of, with ascites, Epiploexy for, 303; Hydatid of, 425; Surgery of the, 426.

LOUX, H. R., phagedæna, Chronic, due to mixed infection, 586.
 Lungs, Surgery of the, 536, 540;
 Thoracic injuries involving the, 553.
 Lymphangioma of the face, 407.
 Lymphaticus, status, Surgical aspect of, 641, 745.

MCARTHUR, L. L., Dermoid cyst of the thorax, 659;
